THE INTERFAITH SEMINARY

'Serving all with an open mind and a loving heart'

♥ Whatever our belief, be them spiritual, religious or non-religious, ceremony is a very powerful way of integrating, honouring and celebrating personal commitments and special occasions. You may feel that a church christening may not be right for you, yet you would like to celebrate the arrival of your child and to officially give them a name.

♥ A Naming Ceremony offers a way in which to celebrate and commemorate your child's arrival into the family. It allows parents to express their love and commitment to their child. It is a loving statement to family and friends, of their intentions as parents, in the upbringing and nurturing of their child.

♥ Along with siblings, Grandparents and Godparents, or Sponsors, can also be included to give readings or simply light candles as a way of welcoming the new addition to the family.

♥ The ceremony can be held anywhere, indoors or outside, and can include as many guests as you like - providing the room is big enough!

♥ Naming Ceremonies can also be arranged for older children or indeed adults. You may feel that you have not been 'christened', 'baptised' or 'named' in some way, or your personal beliefs may have changed. Whatever your reason, a ceremony can be created to specifically suit your wishes.

♥ I will work with you to create a heartfelt and meaningful ceremony as part of your celebrations.

♥ Please do call or email me with any questions you may have, or if you would like to know more about my services, without any obligation.
