THE INTERFAITH SEMINARY

'Serving all with an open mind and a loving heart'

♥ Whatever our belief, be them spiritual, religious or non-religious, ceremony is a very powerful way of integrating, honouring and celebrating personal commitments and special occasions. You may feel that a church wedding may not be right for you or that a civil ceremony may be a little restrictive for you. In between these paths may I offer another way in which to celebrate your marriage.

♥ The purpose of a wedding is for couples to consecrate their intention, purpose and vision, and to anchor their love. It is a powerful statement, to our family and friends, of a commitment to each other.

♥ Some venues may not have a licensed room big enough to hold all your guests. Therefore, after an intimate civil ceremony, a Blessing Ceremony can be held to include as many guests as you like - providing the room is big enough! It can be held anywhere, even outdoors, the room doesn't have to be licensed.

♥ Many couples feel that a Blessing Ceremony is the 'real' part of their wedding as it provides a unique and unforgettable opportunity to create an authentic reflection of who you are as individuals and as a couple.

♥ I will work with you to create a moving and meaningful occasion to suit your unique wishes.

♥ I encourage you explore the opportunity of creating a heartfelt and personally nourishing Wedding Blessing Ceremony as part of your wedding celebrations.

♥ Please do call or email me with any questions you may have, or if you would like to know more about my services, without any obligation.
